

# Finance ministry Team

The Finance Ministry Team is directed by the values of the Gospel in fulfilling its responsibilities, as well as by good business practices. Management and efficient use of church resources must be measured as much by their contribution to the church mission and ministry as well as by commonly accepted business standards and practices.

My soul waits for the LORD  
 more than watchmen wait for the morning,  
 more than watchmen wait for the morning.

O Israel, put your hope in the LORD,  
 for with the Lord is unfailing Love  
 and with him is full redemption.

He himself will redeem Israel  
 from all their sins. Psalm 130:6-8
