February 2011 Volume 22 Issue 260

Dear Friends in Christ:

This past year ends with mixed feelings for me. I saw many good things, but we also experienced some difficult times as well. In the midst of all of what has happened this past year, we continue to be blessed by God. We have been given this community, these buildings, and a call to be the people of God here and now in this place. What we will do in the future depends on what you, the people of Living Springs Lutheran Church, decide to support and live into as the followers of Jesus Christ.

The year 2010 was another year that we had to deal with painful economic matters that shook many families and people, in the congregation and in the community. Our own congregations' income was down. We cut back on staff and made some financial cuts that will be implemented in 2011. We also experienced a loss in membership as a response to the ELCA adoption of the sexuality statement in August 2009.

Despite all of this, we welcomed 58 new members into the community of Living Springs. People are still looking for a church home, and many of them have found their way to Living Springs.

I wish to give a special thanks to the staff of Living Springs. They are a dedicated and hardworking group of people. We welcomed Lexanne Graves this year as our part-time director of Faith Formation; she has added new energy and excitement to the Living Springs ministry. Nickie Riley has provided tremendous leadership to our choirs, played the organ, and directed our music ministry. Shawn Dunn has been wonderful as she has kept the office in order, and ministry information, which is no easy task with such a vast number of programs and activities here at Living Spring. Sherry Forsgren has kept our finances running smoothly in the midst of difficult times. And we give thanks for the musical gifts of Laura Turnmire as she has directed our bell Choirs.

Finally, we give thanks for Tammy Mancuso and our preschool staff who provide a wonderful community outreach and a safe and nurturing place for the children we serve. These are the people who help to facilitate a great deal of the ministry. Thank you!

The Church Council has done a faithful and responsible job with fewer resources this past year. A special thanks goes to those who will be leaving council this year, Brenda Grohman, Jennifer Wiggins, Pete McManus and Annmarie McManus. And a special thank you to Steve Cronin who has served as treasurer for four years.

Thank you to our ministry team leaders and all those who serve in any ministry at Living Springs. You make ministry come alive. You are truly the hands and feet of Jesus as you make Christ known here at Living Springs and far beyond.

I would like to summarize some of the highlights and challenges that this year has presented. The year 2010 saw Living Springs to continue to be a child friendly parish. The children and youth are as much a part of the congregation as anyone else and their enthusiasm is a sign of good things to

come. We have welcomed many newcomers, and people who visit here frequently, comment on how warm and friendly Living Springs is when they visit.

Some of the special things we have undertaken in 2010 point to a congregation concerned about reaching out to others. We have served with Adams NE AME church to supply back packs to Long Leaf Middle School and other schools in the community. We hope that this will build friendships over the coming years.

We resettled the Naji family from Iraq. This was an amazing effort that took time, talents and a financial commitment from the congregation. A special thank you to Pat Dickerson who coordinated this effort. This family is settled in Columbia and doing well.

Our stewardship ministry team stepped up to the plate and wrote their own program this year entitled Loaves and Fishes. As a result, we had the best response in pledge cards in years.

The most challenging piece of 2010 was our financial concerns. As a result this congregation made some hard choices concerning staffing and benevolence. I give thanks that Living Springs continues to give the give 10% of our expected income to the ministry of the wider church. This is a sign that we value the ministries of our synod and the ELCA including: Campus ministry, Newberry College, the Lutheran Seminary, World Hunger, Lutheran Family Services, etc.

The good news is that we have a God who loves us, a tradition of welcoming and sharing, and the ability to do whatever we put our minds and hearts to in the years to come.

In closing, thank you for what you have done. I continue to be blessed to be your pastor. May God guide us, may Jesus lead us and may the Holy Spirit give us the tools and the will as we move ahead. With warmest regards, I remain, faithfully yours in Christ,

*Pastor Chris*

## From the Preschool

Hello everyone,

We are gearing up for next month's excitement with National Lutheran Schools Week. Please join us for our Teacher Instillation at the 10:45 service on Sunday March 6<sup>th</sup>. We look forward to a week of fun and festivities while we celebrate what we do in the daily lives of children. If you have a special interest, talent and/or hobby that you would like to share with the children, families, and staff please let us know, we would love to have you!

Have a blessed month and as always, thank you for your continued support of the Preschool.

Love,

*Tammy*

### **BACKPACKS FOR HUNGRY CHILDREN**

We are continuing to take in food for the 20 children we are making weekly care packages for. The outpouring of generosity to this project has been immense so far. Please continue to give! Since this is an ongoing project, for it to succeed we need you to make this a part of your weekly shopping if you can. If you have any questions on what kind of foods are appropriate please contact Harold Talbert at [haroldtalbert@ymail.com](mailto:haroldtalbert@ymail.com). **Please do NOT bring in any more crackers. Thank you for your generosity.**

### **CHANGE OF INFORMATION**

Pastor Chris has gotten rid of her home phone number. To contact her please use her cell phone number - 803-608-1970.

## **PENTECOSTAL CHURCH OF COLUMBIA**

The Pentecostal Church of Columbia is a mission start. They have asked to be able to rent some space from Living Springs. In December the council voted to welcome them to Living Springs. They will begin by using the multi purpose room on Sunday Afternoons from 3 - 5 PM. If you are here on Sunday afternoons, please welcome Ed and Nilah Gann, mission developers.

Christian Greetings! My name is Ed Gann and my wife is Nilah. We recently moved to Columbia, at the request of our organization, to establish a new church family. We have been involved in both foreign missions and home mission projects with the United Pentecostal Church International. We have served in Costa Rica, Central America, as well as Bolivia, South America. After returning to the states, we planted a new church in Arkansas, which eventually led to purchasing property and building a new facility. We're "empty nesters" as our daughter and son-in-law are in ministry at Ft. Lauderdale, Florida and our son is a senior at the University of Arkansas. Hopefully, our son will be joining us in Columbia after graduation in May.

We came to Columbia with no church building, no congregation, no friends or family in the area, so our beginning focus has simply been on meeting people and inviting them to Bible studies in our apartment. Since we are to the point that we really need more space than our apartment will allow, we are so thankful that you have graciously opened your doors and allowed us to share your facility! You truly have a beautiful church and an excellent location. Please be assured that we will put forth every effort to care for your church property as if it was our own. We consider it a great blessing to develop this relationship with Living Springs!

Thanks & God Bless!

*Ed Gann*

## **PLANNING AHEAD**

Have you thought about your will, your living will, your estate planning, or funeral planning? It is a true gift to your family to have these things in order so that your family will know your wishes. No matter what your age, this is an important workshop to be a part of. Come hear from an accountant, attorney, funeral planner, and pastor on how to make end of life decisions. Join us on Sunday, February 13 from 12 -3PM. Please sign up in the Admin building so that we can make lunch arrangements.

## **THANK YOU**

Lindsay, Anya, and I would like to thank the community of Living Springs for the love, prayers, and support that we have received as we transition into this new chapter in our lives. We learn new things everyday as parents and are grateful for our friends across the country that help us in many ways. We were very surprised at the package we received with gifts from the congregation, especially the baptismal box. It is beautiful and we are honored. We will tell Anya all about you all, as she adds precious faith items to the chest! We appreciate all of things you did during our time at the church and wanted to send a greeting since we were only 2 months into the pregnancy when we moved from South Carolina. We are doing well in Minnesota and think about South Carolina and you all often. We promise to stop in when we are in the area and look forward to the time when we may reconnect. Grace and peace.

*Rick, Lindsay, and Anya Reiten*

## **Building a Plan for God's Mission and Outreach through Congregations**

Because the South Carolina Synod has opened itself to the call of God and to the renewing work of the Holy Spirit, and the 2010 SC Synod Assembly authorized a Growing in God's Mission Appeal to gather the financial resources to engage, encourage and equip congregations for God's mission, the Synod Council entered into a contract to conduct a pre-campaign Feasibility Study between October, 2010 and February, 2011. The feasibility study will be conducted in partnership with Gronlund Sayther Brunkow - a fund raising consulting firm. The study is designed to determine the potential to secure the resources to fund several vision and missional priorities. **February 2 at 2PM** at Zion Lutheran Church, Lexington.

## **NEW HEATING AND AIR**

You may have noticed Spring Valley Heating and Air outside the sanctuary this week. We have been having on-going problems with our heating and air. The good news is that due to the capital campaign, we have money set aside to address this issue. There are four units in the sanctuary and all four will be replaced. The cost will be \$19,000. Thank you for your generosity through the capital campaign. It has made this all possible.

## **February 7: The Midlands Green Congregation Initiative invites you to attend "Caring for Creation"**

Members and leaders of faith based congregations are invited to:

- discuss "caring for creation"
- learn techniques to develop successful congregation green teams
- network & share successes with other congregations

Whether you have an established green team or are just thinking about how your congregation might start a caring for creation initiative, this event will offer an opportunity to connect with others who are on the same journey.

Organizations supporting this initiative include: Sustainable Midlands, City of Columbia Green Congregation Program, The University of South Carolina School of the Environment and several faith based green congregations.

Come for light refreshments at 5:30PM; the program is from 6-7:30PM.

Location: 701 Whaley Street, Columbia, SC 29201

Please register to reserve your free seat, contact Ryan Nevius at 803-381-8747 or [ryan@sustainablemidlands.org](mailto:ryan@sustainablemidlands.org). More information, [click here](#) -- or follow us on Facebook at "Midlands Green Congregations Initiative".

### **FIRST COMMUNION INSTRUCTION**

First Communion Instruction will be held on Saturday, **April 16 from 9 – 3 PM**. This is geared toward children grades first and older. It is a wonderful day where the children bake bread, make chalices, and learn more about this sacrament. Whether or not your child is already receiving communion, we recommend that they come and be a part of this class. As children grow they learn more and more about what this sacrament means. This is a great way to have your children deepen their faith and understanding. Please sign up in the Admin building or call the church office to let us know you will be attending. We request that a parent/guardian come with their child on this day. The cost is \$17, this is for the cost of the chalice. Lunch will be provided as well as all other materials.

### **ON LINE CHECKING AND YOUR GIVING**

A number of people have asked, how can I have my gift to the church come to Living Springs automatically? Although we no longer are able to draft your offering from your account upon your request, there is another way. Did you know that you could set Living Springs up as a payment in your online checking accounts? Just set it up so that it gets drafted automatically on whatever day you choose. Even if you are on vacation you can still make sure your offering comes to Living Springs. We have a number of members who use this feature on their online bill pay and find it very convenient.

## **HOW DO I PROVIDE FLOWERS FOR THE ALTAR?**

If you would like to provide flowers for the altar one Sunday in honor or in memory of someone or some special occasion, here is what you need to do.

1. Look at the flower chart in the back of the church and put your name down for the date you would like.
2. The week before contact the church office and let the office manager know what you want to say in the bulletin.
3. Then either order the flowers from pampered plants – 788-0318 and they will deliver them on Saturday to the church. A second choice is for you to make your own arrangement or purchase the arrangement from somewhere else and you can bring them to church before Saturday's 5:05 worship.
4. After the 10:45 service, you can take the flowers home with you or you can leave them for the church staff and they will divide them up into small vases and bring them to our shut ins.

## **LUTHERIDGE/LUTHEROCK SUMMER CAMP**

Lutheridge Conference Center and Camp in South Asheville, North Carolina, and Camp Lutherock near Boone, North Carolina, comprise two sites in western North Carolina providing summer camp for children, youth, and families. Affiliated with the ELCA, faith-based programs for children and youth of all denominations dominate the summer calendar. Living Springs brings our confirmands to camp at Lutherock for a week every year. If you are thinking about sending your child to camp, this is a great place! Children between Kindergarten and 12<sup>th</sup> grade can come to camp! You can register on line at <http://www.llmi.net/default.aspx> or call 828-684-2361. If you register before March 15, you will receive a discounted rate. There are scholarships available through Lutheridge/Lutherock Ministries. They are very generous with their scholarship money.

## **LIFEPOINT ANNOUNCES THIRD ANNUAL BENEFIT AUCTION**

Board President Shelia McCullough has announced that LifePoint Counseling Center will hold its third annual Benefit Auction on **Thursday, March 31, from 6:30 to 9:00 p.m. at the Marriott Hotel**, located at Sumter and Main streets in downtown Columbia. The Auction will benefit LifePoint's Samaritan Fund, established to assure that no one in need of counseling services is turned away for financial reasons.

Two major sponsors will return to support the Auction - Blue Cross & Blue Shield and Thrivent Financial Services - and many favorites from the two past Auctions will be up for bid: frozen shrimp and crab, weekend get-aways in Charleston and Myrtle Beach, golf and fishing outings, works of art by local artists, sports memorabilia, and much, much more. Contact Adam Woodruff (917-6270), Lindsey Davidson (447-7044) or Retha Murray (422-9711) for more information about tickets, how to be a sponsor and /or to donate items for auction.

The event will consist of both silent and live auctions. The live auction will be conducted by well known auctioneer and prominent Columbia real estate executive Jimmy Derrick. Tickets will sell for \$25/person and will be good for two adult beverages, delicious hors d'oeuvres, and access to the wide range of attractive offerings in the silent and live auctions. The past two Auctions raised a combined \$13,000 for the Samaritan Fund, and this year's goal is \$10,000. Circle your calendars and plan on attending this can't-miss-event at **the Marriott Hotel on March 31.**
