

Heifer International offers a sustainable approach to end hunger and poverty worldwide

- one family at a time
- one animal at a time

We continue to dedicate Sunday School offerings to this beneficial project. Each Sunday School class will sponsor animals to give to help families around the world receive training and resources that help them become self-reliant.

We witness how the dollars donated support God's mission throughout the world.

Dear Parents,

Please remember our children are expected to bring **MORE** to their classroom:

1. **M**odel Christian behavior. What would Jesus do?
2. **O**bey their teachers.
3. **R**espect everyone.
4. **E**xercise appropriate language.

Please discuss these expectations with your child. Together in Christ, may we be led to guide our children to show God's love in every thought, word, and deed.

SUNDAY SCHOOL
2009 – 2010
Children's Songs 9:15
Classes 9:30 – 10:30

August 2009

We welcome you to Sunday School!

Living Springs is committed to partnering with you to raise your child in the faith. At Sunday School your child will learn about God's faithfulness to God's people through hearing stories from the Old and New Testament. This will be interactive learning where children will apply what they have learned to their own lives.

Although there are many learning opportunities throughout the year including: Summer Camp, Vacation Bible School, First Communion Instruction, youth groups, etc. Sunday School is the primary educational opportunity for our children. However, the most important way that children learn about God's faithfulness is through their parents as they live faithfully in God's grace.

I pray that you will not only bring your children to Sunday School, so that they can learn more about God's love, but that you will also attend Sunday School as we grow together in God's grace.

Pastor Chris

Parents and caring adults are to tell children about God's faithfulness.
